## View Grades and Report Cards Online with NISD eGrades

Northwest ISD parents can access student data through the Home Access Center ("Grades Online") link on our district homepage, [www.nisdtx.org](http://www.nisdtx.org). This service allows parents to monitor their children's grades and attendance through a safe and secure Web connection. To access the site, parents must contact their child's school to request a password for this feature. If you have questions or problems utilizing this service, please contact your child's campus.

## Use MySchoolBucks.com Prepayments for Your Child's Food Service Account

MySchoolBucks gives parents a fast, easy, and secure way to add money to their children's school meal accounts. Students can pay for their meals using cash or by deducting it from their food service account. To deposit funds into a child's account, send cash or a check made out to Northwest ISD. For an instant deposit, you may also use the new Internet program, [www.myschoolbucks.com](http://www.myschoolbucks.com), to directly deposit funds into your child's account from your credit card. There is a \$2.49 convenience fee when using My School Bucks.

To use the system, visit [www.myschoolbucks.com](http://www.myschoolbucks.com). From this site you will be able to create your account and add money to your child's school meal account. All you need is your child's information, student ID number and school location.

## Find Attendance Boundaries and Bus Information Online

The school a child will attend depends on where they live within Northwest ISD. To find where a child will attend school and/or to learn more about bus transportation for a particular address, please visit [www.nisdtx.org/attendanceboundaries](http://www.nisdtx.org/attendanceboundaries). Questions about attendance boundaries can also be directed to 817-215-0175. Questions about transportation can be directed to MV Transportation at 817-698-1287.
