Dear Dave,

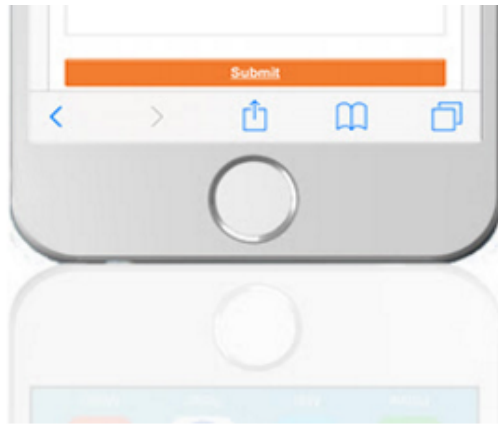

Congrats, you now have access to your iLOCK360 account!

BEFORE we can safeguard your ID you need to activate and setup your account. There are *3 simple steps* to complete before you will receive access to all of the features your plan offers.

Please take a moment to follow the steps below to **Activate** your account now.

Activation Procedure

Please log into the iLOCK360 [website](#) to complete the activation process. This one-time online activation ***must be completed*** in order to setup your ID monitoring services.

Use the information below to start your account activation:

Username: (the email address from this inbox)

Password: Your initial password is your *zip code followed by the last four digits of your SSN.*

For example, if your zip code is 90210 and your SSN is 123-45-6789, then your password is 902106789.
