Experience the Wild at NISD's 1st Camp ECO

- WHO:** Current NISD 1st through 5th grade students
- WHAT:** Northwest Independent School District's Outdoor Learning Center will host its very first Camp ECO. At this camp, students will experience the challenges of the outdoors and participate in various activities such as:
- archery
 - rock climbing
 - fishing
 - geocaching
 - survival skills
 - leadership skills
 - cowboy cooking
- WHEN:** **June 11 – 13 from 9:00 a.m. till 4:00 p.m.**
- WHERE:** **NISD Outdoor Learning Center**
7773 Mulkey Lane
Northlake, TX 76247
- WHY:** The outdoors is such a huge part of NISD's curriculum learning everything from how to treat the environment through recycling to wind turbine & solar technologies. During this three day experience, students will embrace the outdoors and allow them to love the earth.
- NOTE:** If you plan to experience the OLC's Camp ECO, please contact Adam J. Bennett at (817) 215-0056 or abennett@nisdtx.org.
