April 24, 2014

Northwest ISD Elementary Schools Partner to Clean Up the Town

- WHO:** Kindergarten students from Samuel Beck Elementary School and Lakeview Elementary School (roughly 200 students)
- WHAT:** In celebration of Earth Day, kindergarten students from Samuel Beck Elementary will walk with Trophy Club Mayor Connie White to meet kindergarten students from Lakeview Elementary along the town's bike paths. The students from the sister schools will eat lunch together and discuss the importance of picking up trash to help improve the community. After lunch, the students from the two elementary schools will pick up trash along the path as they head back to their campuses.
- WHEN:** **Friday, April 25**
10:30 a.m.
- WHERE:** **Samuel Beck Elementary School**
401 Parkview Drive, Trophy Club, 76262
- WHY:** During the month of April, Northwest ISD students have learned about Earth Day, the importance of recycling, saving energy, cleaning up litter and more. Friday's activity is a way for the students to work together and give back to their community.
- NOTE:** If you are interested in attending, please contact Emily Conklin at 940-535-8010 and plan to meet at the address listed above (Beck Elementary School). We will then walk to meet the students from the other campus along the bike path in Trophy Club.
