### **Steele Accelerated High School Receives \$4,470 Grant from Wells Fargo**

- WHO:** Approximately 115 students at James M. Steele Accelerated High School
- WHAT:** Steele Accelerated High School has been awarded a \$4,470 corporate grant from Wells Fargo. Wells Fargo will present the check in front of students and staff during a presentation.
- WHEN:** Wednesday, September 25 at 8:45 a.m.
- WHERE:** **James M. Steele Accelerated High School – Gymnasium**  
606 N. Walnut Street, Roanoke, 76262
- WHY:** The grant will provide for a class set of each of the two required textbooks for dual credit English classes (valued at more than \$2,600). This will save each student who participates in the dual credit English courses offered at Steele over \$125 for the next several years. The second part of the grant provides training, resources, and uniform shirts for the Excel Club at the campus. This club will focus on providing students at Steele Accelerated High School with opportunities in leadership, community service and public relations.
- NOTE:** If you plan to cover the event, contact Adam Bennett (210-471-1555 or 817-215-0056).
