NISD Partners in Education, in partnership with Heavenly Supply Depot, will host a Back-to-School Health Fair at Northwest High School on Saturday, August 3 from 9 a.m. to 2 p.m. The fair will help prepare children in need to go back to school through services provided by community agencies specializing in assisting children and families.
- The Northwest ISD Partners in Education program was created to establish partnerships between our schools, businesses, students, teachers and the community. NISD values the support from our partners in education. Together we are working in community to prepare students to be successful and productive citizens.
