

Superintendent Search Firm Update:

The NISD School Board has called for a special board meeting on Thursday, February 25 at 5:30 p.m. at Northwest High School to select a new superintendent search firm. The school board and Bob E. Griggs and Associates have come to a decision to mutually part ways.

“We are appreciative for the time spent working with Bob E. Griggs and Associates,” said Board President Josh Wright. “Hiring a superintendent is one of the most important jobs a school board member has. We are committed to finding a search firm to assist with selecting a candidate that will lead NISD on the continued path of excellence already initiated and take the school district to another level of success as we continue to grow.”

Upon selection of a search firm, NISD community members, parents, and staff will have an opportunity to assist and provide input in development of the superintendent profile for the candidate search process.
