### **Students safely evacuated following NISD bus accident**

A Northwest ISD bus carrying Pike Middle School students was involved in an accident in front of Northwest High School on F.M. 156 this morning when a car collided into the bus. No major injuries resulted from the crash, and all students onboard the bus were safely evacuated and loaded onto another bus to Pike.

Parents of students who were on the bus are being notified of the accident. Traffic on F.M. 156 may be delayed as cleanup of the accident is occurring. The district is grateful to report all students and the bus driver are safe.

Media inquiries regarding the accident should be directed to Emily Conklin, Northwest ISD director of Communications, by phone to 940-535-8010.
